

Recognizing Excellence in Bioengineering Academic Research

VIRTUAL GRADUATE STUDENT SYMPOSIUM APPLICATIONS DUE NOV. 15

For more information and to apply visit go.umd.edu/re-bar

The University of Maryland's Fischell Department of Bioengineering will host its first virtual Graduate Student Research Symposium, Recognizing Excellence in Bioengineering Academic Research, on **January 18 and 19, 2023 from 1:00–5:00 p.m. ET.**

This symposium will feature 15-minute talks by graduate students, workshops and panels on the postdoctoral fellowship and faculty position search processes, featured talks from bioengineering faculty and leaders, networking and mentorship sessions, and awards – including cash prizes.

Those interested in applying should have completed 3+ years of doctoral training in biomedical engineering, bioengineering, or a closely related field.

Additional information about this year's program will be made available in the coming weeks.

Who should apply?

Individuals who have completed 3+ years of doctoral training in biomedical engineering, bioengineering, or a closely related field.

What materials should I plan to submit?

You will be asked to submit your CV (curriculum vitae), as well as short paragraphs describing your research interests, future goals, DEI contributions, challenges overcome, and/or how this symposium will help with your career progression.

When will I know if I've been accepted?

Decisions will be sent to applicants by Dec. 1, 2022.

Who should I contact with questions?

Email bioe-comms@umd.edu with any questions about the event or the application process.

APPLY ONLINE BY NOVEMBER 15, 2022: [GO.UMD.EDU/RE-BAR](https://go.umd.edu/re-bar)
