Please join us for two workshops specifically designed for bioengineering undergraduates. The information provided at each will help shape your undergraduate career at the University of Maryland and guide you towards possible future paths in either graduate school or industry. RSVP to bioe-undergrad@umd.edu is required for pizza.

**GRADUATE STUDIES IN BIOENGINEERING**
Monday, Sept. 29: 3:40 p.m.—4:40 p.m.
Location: Room 1200 Kim Engineering Building
*RSVP required by Thursday, Sept. 25
Workshop offered by Jane Fines, Director of International, Leadership, and Scholarship Programs.

**LIFE AFTER BIOE—ALUMNI PANEL**
Monday, Oct. 6: 3:40 p.m.—4:40 p.m.
Location: Room 1200 Kim Engineering Building
*RSVP required by Thursday, Oct. 2
This workshop will feature alumni who have interesting careers in biotechnology, biomedical instrumentation, patent review, and consulting:

- **Mohamed Aziz**, Engineer, MedImmune (B.S., 2009)
- **Esmaeel Paryavi**, Product Development Engineer, MPR Associates; Founder, Wesk Medical, LLC (B.S., 2012)
- **Travis Wilson**, Accenture (B.S., 2012)

**QUESTIONS?**
Contact the Bioengineering Undergraduate Office at bioe-undergrad@umd.edu.
